Historical renovated 1882 old Wool Store Shed

Shed 2 on the Quay & Caution @ Shed 2

The "Shed" is an Ahuriri icon established in 1995. Step back to 1882 when the converted old wool store commenced life here on the Quay. Right back to the days of the old square riggers and when the railway used to ply the wharf trade. Purchased by Williams' & Kettle in 1882 and operated for 114 years until converted by its second owner Shed 2 in 1995. The "Shed" is one of the few remaining 19th century buildings in the City of Napier. The "Shed" is a microcosm of Ahuriri, with its huge original timber beams, wooden floors and glowing expanses of copper.
