# established 1996

the historical old 1878 wool store was renovated & opened in may 1996 by the iconic shed 2. step back in time to 1878 when the converted old wool store commenced life here on the quay. right back to the days when the wharf was buzzing with horse and dray, square riggers and railways plying their trade. w&k 2 was built in 1878 by williams’ & kettle and operated by them for 114 years until converted by its second owner shed 2. it is one of the few remaining 19th. century buildings in the city of napier. the “shed” is a microcosm of ahuriri with its huge original timber beams wooden floors and glowing expanses of copper.
